Communication

Throughout the dance year, the most reliable form of communication with instructors will be through the dance email: danceymca@altavistaymca.com. Handouts may be given out during class, but all information will be conveyed via email and the Remind app. This includes class cancelations and recital information. For this reason, it is vital that your registration form include a **valid email address** that is checked daily. We will also be using the Remind App for our dance classes. This app allows teachers to communicate information quickly directly to your phone, but will not share your phone number with anyone. Information for the Remind App will go home on the first day of classes.

Additionally, we are requesting that any feedback you have for us, both positive and negative, be sent via email throughout the dance season to ensure that times, which are designated for rehearsals are used to benefit the dancers. If writing to your child's instructor about a specific class question, please put your instructors name in the subject line to ensure an accurate and timely response.
