

VDH PRESENTS: KIDS' SUMMER SAFETY SERIES

The Virginia Department of Health has developed a resource to promote overall health and wellness to families preparing for summer activities and camps!

This resource was created to:

- **Share** critical summer safety guidelines with families and camp staff
- **Address** first aid measures, CPR training, and/or emergency medical assistance
- **Highlight** the importance of keeping children up to date on their immunizations

FEATURING:

[Southwest Region VDH
Summer Safety Webinar](#)

WEBINAR TOPICS:

Water Safety

Bug/Insect Bites
