## **CLASS DESCRIPTION**

## MINIMUM OF 3 PARTICIPANTS FOR A CLASS TO OCCUR, CONTINUOUS LOW TURNOUT WILL RESULT IN CLASS TERMINATION, SCHEDULE SUBJECT TO CHANGE WITHOUT NOTICE

**ABS & ASSETS:** Focus of this class is to work the main areas that support a physically active life. Core work is paired with breath. The back evening out the strong muscle groups. The glutes to support the back, and shoulders to support the arms.

**BASIC/HIP HOP STEP**: Class uses an elevated platform to increase the heart rate while executing basic moves on it. No fancy combinations or complicated choreography.

**BODY BLITZ (Formerly known as HIIT)**: High Intensity Interval Training. Alternating short periods of intense anaerobic exercise with less intense recovery periods. One performs a short burst of high-intensity (or max-intensity) exercise followed by a brief low-intensity activity, repeatedly, until too exhausted to continue.

**CARDIO CUTS**: Cardio & strength training taken to the next level. The intensity & intervals vary so you get the most out of your workout. Metabolism stays elevated for some time afterwards.

**CARDIO MASH**: Blend of weights, cardio, dance, & step. Each class will have a particular focus with each instructor.

**CORE EXPRESS**: Executing exercises using dumbbells, stability ball, BOSU, or gliders resulting in stronger abdominals/low back & obliques to increase functional strength, and spinal stabilization.

**CYCLE**: Designed for all fitness levels, consists of riding intervals, hills, flats, and jumps. Participants decide how intense/fast they want to work. Beginners show up 10 min before class for set-up.

**CHAIR PILATES**: This class is perfect for the beginner as well as the advanced Pilates advocate. The class focuses on breath, balance, core strength, and flexibility using weights, Thera bands, and gliders. Mostly performed in a chair, some work will be done standing.

**FIT FACTORY (Formerly known as Bootcamp)**: Drills, skills, power, agility, speed and old fashion exercises are incorporated in this class to challenge the body and mind. Tabata Training, Rest Base Training, AMRAP & H.I.I.T will ensure the maximum amounts of calories are used. A base-level of fitness is recommended.

**JAZZ DANCE**: This class challenges students with Bob Fosse's signature style, including isolations, finger snaps, smooth hip rolls, and specific, detailed movements. This class combines technique and choreography from Broadway musicals and award-winning movies. It does not require singing or acting, and students can have input on choreography they would like to recreate.

**LINE DANCING**: A dance where individuals line up without partners & follow various step patterns to country music. **Fee based. MOVE-IT MANIA**: High intensity class challenging participants with strength training &/or cardio based movements. Break a sweat and enjoy the comradery of fellow participants.

**OPEN BALLET**: Feel like a dancer with this rhythm-based class. This class will help with coordination, pattern recognition, strength, and flexibility

**MAT PILATES**: This class is perfect for the beginner as well as the advanced Pilates advocate. The class focuses on breath, balance, core strength, and flexibility. The class will be lying on your stomach, side, back or seated. This class requires an ability to get up and down from the floor. You can bring a mat that is thicker than a normal yoga mat.

**REFIT:** is a cardio focused class with powerful moves and positive music. A workout that inspires community and positive changes from the inside out! It's perfect for beginners and challenging for fitness enthusiasts.

**SR. CHAIR YOGA**: A chair version of the Yoga classes that addresses mindful breathing, stretching, strengthening, balancing & relaxing the mind & body. Excellent class for beginners & individuals with medical/balance issues.

**SR. CHAIR EXERCISE**: A chair version of the strength training classes that addresses balance, strength, endurance, range of motion, effective breathing and other areas to help with overall health.

**STRENGTH EXPRESS**: increase strength, tone, definition & fat loss with this complete workout in an abbreviated format. Train every muscle group with exercises that target a lot of muscles with one movement.

**TAI-CHI**: An ancient practice that incorporates slow breathing, mental concentration, and constant flow of controlled movements with various postures. Help lower stress & blood pressure & increase balance.

**YOGA**: Practice the basic yoga poses that stretch, relax, & improve flexibility & range of motion. Participants are encouraged to work at their comfort level. Mindful breathing will be practiced enhancing the class experience. All skill levels welcomed. Dress in layers. Mats & blocks provided.

**DANCE**: An exhilarating, effective, easy-to-follow, calorie-burning dance fitness party. Dance ranges from Zumba to cardio dance!
