SWIM TEST POLICY

At the Y, safety is our top priority. All swimmers 12 & under must complete a swim test. Those who do not take or do not pass the test must wear a coast guard approved life jacket and remain in the shallow end unless accompanied in the water by a responsible adult supervising that child. The responsible adult must be within arm's reach. Lifeguards have the authority to require any person, regardless of age or ability, to complete a swim test or wear a life jacket, if deemed necessary. Please see the detailed Swim Test Policy handout for full guidelines.
